

T&N Tech Talks

Friday, April 13

1:00 – 4:30 PM

Level 2, Room 202B

T&N Tech Talks is an educational forum which features 10-15 minute presentations made by allied ophthalmic personnel to an audience of their peers. Audience participation is encouraged through Q&A. A 'People's Choice' ribbon will be awarded to the most interesting presentation, as voted on by the audience at the program's conclusion.

This program has been approved for **3.0** IJCAHPO Group A credits. Additional registration (\$65) is required to attend this session.
