Dear Exhibitor:

It is with great pride and excitement that we invite you to participate in the American Society of Cataract and Refractive Surgery (ASCRS) Annual Meeting and the American Society of Ophthalmic Administrators (ASOA) Annual Meeting taking place July 23–27, 2021 at Mandalay Bay Resort & Casino in Las Vegas, Nevada.

It is especially exciting to hold our meeting on the famed Las Vegas strip for the first time in the history of ASCRS. With the constraints of the past 12 months considered, Las Vegas feels like the perfect venue as we bring back live meetings to ophthalmology. Having three hotels—Mandalay Bay, the Delano and the Four Seasons—included in the same property with the convention center will offer unique and efficient opportunities to meet your key customers without the need to venture to other locations.

We have weathered a global pandemic that has robbed our surgeons and our industry partners of one of the attributes that makes our meeting so special—the opportunity to connect on ideas, share information, and learn new skills. Technology is a great asset, but it simply cannot replace the unique opportunity to connect face-to-face with an individual.

A total of 808 days will have elapsed from the close of our 2019 ASCRS Annual Meeting in San Diego and the opening of our 2021 ASCRS Annual Meeting in Las Vegas. We expect this year’s event to have an energy like few others in our nearly 50-year history, as ophthalmology comes together and reconnects. It will be a special event, and we hope you are there to share it with us.

Enclosed is information on our exhibition opportunities for ASCRS Subspecialty Day being held on Friday, July 23, 2021, and the ASCRS Annual Meeting and ASOA Annual Meeting, which begin July 24, 2021.

We have a focused effort on driving our members to engage with exhibitors and spend more time in our Exhibit Hall in 2021. The centerpiece of this effort will be the ASCRS Tap Room, located in the Exhibit Hall, where surgeons, administrators, nurses, technicians, and industry representatives can meet, share a beverage, and reconnect.

It will be a special time, and we look forward to being with you in Las Vegas!

INABILITY TO HOLD CONVENTION OR CHANGE IN SCHEDULED DATES
If because of war, strike, the destruction, construction or renovation of the Exhibition Venue, government order, terrorist act, act of God or other cause beyond the control of the Association, the Conference and Exhibition or any part thereof is prevented from being held, the Association shall be relieved of its obligations under these Terms and Conditions. In regard to Exhibitors, the Association shall determine and refund to Exhibitor its proportionate share of the balance of the aggregate exhibit fees received that remain after deducting expenses incurred by the Association and reasonable compensation to the Association, but in no case shall the amount of the refund to Exhibitor exceed the amount of the exhibit fee paid by Exhibitor. In regard to Sponsors, Sponsorships are non-refundable. The Association shall determine the remaining aggregate value of the sponsorship fees as of the date of cancellation or postponement and apply the remaining sponsorship value to an upcoming conference as agreed to by the parties. Exhibitor(s) and/or Sponsor(s) acknowledge and agree that the Association may be required to change the scheduled dates of the Conference and Exhibition as set forth in the Contract for reasons beyond its control or for reasons that, in the sole judgment of the Association, will benefit the Conference and Exhibition and the participating exhibitors and sponsors. In the event that the Association is required, or decides, to change the dates of the Conference and Exhibition, the Association will make its best efforts to notify exhibitors and sponsors in writing of such change at least sixty (60) days prior to the dates originally set forth in the Contract.
**EXHIBIT BOOTH SPACE ASSIGNMENT**

The ASCRS exhibits are an extension of the continuing education program. To be accepted by ASCRS, the products and services should be directly related to the ophthalmic or medical administrative fields.

Booth placement is prioritized using a point system. Companies with the greatest number of points are assigned first, progressing to companies with the fewest amount of points.

Due to the COVID-19 pandemic and the ongoing changes in convention regulations for exhibitions, your booth has been assigned by the Exhibits Manager for the 2021 Annual Meeting. This means you will NOT be selecting your booth on a scheduled phone call as we have done in years past. Priority Points will still be in consideration for determining booth locations as well as special consideration for those that participated in our Virtual Annual Meeting. As regulations and guidelines from the State of Nevada and City of Las Vegas may change leading to the Annual Meeting, ASCRS will alter the floor plan if deemed necessary.

Priority Points are accrued through a variety of opportunities extended by ASCRS. See next page for details.

Prior to booth assignments, exhibiting companies are evaluated according to points earned. An email was sent out to all exhibiting companies from the previous year detailing total points earned for the upcoming Annual Meeting.

In order for accrued Priority Points to be applied to space selection standings, the exhibiting company must submit the completed space application online by the published deadline.

The exhibit booth space application will be considered complete when it has been electronically signed by the appropriate authorized personnel and the 50% deposit amount is received by the published deadline date.

Additional Priority Points will be rewarded toward the 2021 Annual Meeting booth space standings if full payment is received with your exhibit space application by deadline.

Applications received on or after the deadline will be processed AFTER space selection assignments have taken place. These booths will be assigned based on availability and Priority Points will not be considered.

**CONFIGURATION OF EXHIBIT HALL**

ASCRS reserves the right to reconfigure the Exhibit Hall floor plan and reassign any exhibiting company at any time. Should the affected exhibitor cancel their space as a result of their booth reassignment, payments will be refunded in full. The affected exhibitor must submit their cancellation notification in writing no later than 3 days after notification of space reassignment to receive a refund.

**BOOTH SHARES**

Companies wishing to share a booth space must have a minimum of 200 square feet.

A signed letter on official company letterhead by each company acknowledging they agree to share the space must be sent to the Exhibits Manager, jbarbera@ascrs.org.

The Exhibits Manager will advise how to proceed.

Each company must provide individual company descriptions and product categories to be listed in annual meeting publications.

If companies are splitting the booth fee, please note this in your email.

Both companies will be listed in the meeting program and meeting app.
PRIORITY POINTS

Priority Points are the principal determining factor for exhibit location at the ASCRS Annual Meeting.

ASCRS recognizes that the location of a booth at our Annual Meeting is of high strategic importance and has a point system in place that determines the order of space selection and assignment for each exhibitor.

**NEW Priority Points Accrual System Calculations**

The below accrual period is in effect for your 2021 Annual Meeting exhibit booth.

Priority Points for the Annual Meeting are accumulated annually and added to the cumulative total following these guidelines:

- 2 points for exhibiting at the current Annual Meeting
- 4 points for exhibiting at ASCRS Subspecialty Day (Cornea, Glaucoma, and Refractive Day)
- 2 points for applying full payment with the space application by the deadline
- 1 point earned per one hundred square feet of exhibit space if you utilize onPeak for your hotel needs
- 1 point deducted per one hundred square feet of exhibit space if you do not utilize onPeak for your hotel needs
- 4 points for purchasing F&B in your booth during the ASCRS Welcome Party
- 4 points will be earned for participation in EyeWorld (4 issues over 1 year), starting for the 2022 Annual Meeting
- 2 points for completing the post Annual Meeting Exhibitor Survey
- Points will be earned for your donations to the ASCRS Foundation; see to the right for point scale and timeline
- Points will be earned for any sponsorship spend. See to the right for point scale. Points toward your 2021 points are calculated from 2019–May 2020.

Please contact Jamie Barbera, Exhibits Manager, jbarbera@ascrs.org, for the breakdown of sponsorship areas calculated.

*Additional Foundation partnership benefit timelines including those related to the Annual Meeting will be coordinated directly with the Foundation.

**Value for approved in-kind Foundation donations will be included*

BEFORE THE EXHIBITION

BIOMEDICAL WASTE
Companies with exhibits that include the use of animal tissue, human tissue, disposable needles, sharps, human blood, or products contaminated with blood must complete the ASCRS liability waiver and the hazardous waste removal order form and pay the corresponding fee for removal of the waste no later than April 23, 2021.

Additional information including the liability waiver and hazardous waste removal order form can be found in the Exhibitor Service Kit.

BIOMEDICAL HAZARDOUS WASTE (SUPPLIES & REMOVAL)
Companies with exhibits that include the use of animal tissue, human tissue, disposable needles, sharps, human blood, or products contaminated with blood must complete the ASCRS liability waiver, the hazardous waste removal order form and pay a fee for the removal of the waste. A Freeman representative will drop off the supplies you requested to your booth on Friday, July 23. You will be required to drop off your medical waste at the designated location near the service center, at the close of the show, every evening. Exhibitors should dispose of any waste products they generate during the exhibition in accordance with guidelines established by the facility.

More information can be found in the Exhibitor Service Kit.

LASERS & OTHER POTENTIALLY HAZARDOUS LIGHT SOURCES
Any exhibitor who will be utilizing or displaying lasers (inoperable or operable) or other hazardous optical sources will be required to review the ASCRS Laser Safety Guidelines and submit the laser safety use form to the Exhibits Manager no later than April 23, 2021. This form will be in the Exhibitor Service Kit.

LASER SAFETY INSPECTIONS & REGISTRATION
The exhibiting company utilizing or displaying lasers during the ASCRS Exhibit Hall and Subspecialty Day will be subject to a laser safety inspection performed by an outside expert along with an ASCRS staff member. A schedule will be provided before move-in begins onsite.

Absolutely no lasers will be displayed without first being inspected and approved by the laser safety inspector.

Identification signs stating the class of laser, inoperable or not FDA approved at this time, are required to be displayed for such lasers. Signage must be displayed at all times during the show or equipment housing the laser will be removed immediately, at the expense of the exhibitor.

Exhibitors with lasers may also be subject to, without notice, an inspection by the Fire Marshal. Should they feel that the laser(s) do not meet approval, the exhibitor will not be permitted to use the laser(s) during the show.

FLAMMABLE & TOXIC MATERIALS
All materials used in display, construction or decorating should be made of fire-retardant materials and be certified as flame retardant.

Samples are required to be available for testing pre-show and onsite. Materials that cannot be treated to meet the requirements are not permitted for use. A flame-proof certificate is required to be available on hand for inspection by the fire marshal.

Mandalay Bay Convention Center has jurisdiction over the installation, operations, maintenance, and repair.
FDA REGULATIONS
Exhibitors must abide by all applicable Food and Drug Administration (FDA) regulations, including but not limited to any or all approval requirements. Exhibitors are reminded that the FDA generally prohibits the advertising or other promotion of investigational or unapproved drugs and devices. The FDA also forbids the commercial promotion of approved drugs or devices for unapproved uses.

Unapproved devices may be displayed only if they are the subject of an effective investigational device exemption (IDE) or if they are the subject of a pending 510(k) pre-market notification application. Exhibitor is required to post a sign stating the device or product is not FDA approved at this time.

Any investigational product that is displayed or graphically depicted within the exhibit must (a) contain no claims of safety or effectiveness, (b) contain no comparative claims to other marketed products, and (c) be accompanied by a sign clearly and prominently stating that the device is limited by federal law to investigational use and is not approved by the FDA for commercial distribution in the United States.

Exhibitors may not sell, commercialize, or take orders or names with respect to an investigational drug or device, or a device that is subject of a pending 510(k) application, unless limited to research or investigational use.

These restrictions are not intended to limit the full exchange of scientific information regarding an investigational drug or device. If the FDA or a court of competent jurisdiction determines that a company’s exhibit at an ASCRS meeting is in violation of any FDA regulations, including but not limited to the promotional restrictions and rules described above, the company may be subject to sanctions, including but not limited to exclusion from exhibiting at subsequent ASCRS meetings.

Concerns or questions regarding compliance with FDA regulations should be addressed to the appropriate agency within the FDA.

Exhibitor agrees that the exhibition assumes no responsibility for the safety of the properties of the exhibitor, its officers, agents or employees from theft, damage by fire, accident or any other cause whatsoever.

The exhibition provides security guards for public spaces only; however, attention is called to the necessity for insurance covering all risks (liability, fire, theft, damage, etc.) on your exhibit from place of shipment to the exhibition, facility, return, and during exhibition.

COIs may be submitted via email or fax to the contact below no later than April 23, 2021.

BOOTH SPACE DESIGN GUIDELINES

ASCRS invites exhibitors to create booth designs that are welcoming and engaging, however, adoption of the ASCRS show look is prohibited.

Exhibits must conform to the professional and scientific atmosphere of the meeting and are subject to onsite review and, where necessary, modification at the exhibitor’s expense.

All components of the booth design including truss and lighting are to remain within the boundaries of the exhibit space.

All booths must have a floor covering. The full square footage of your exhibit booth space must be covered by 3:00 p.m. on Friday, July 23, 2021. Booths not containing floor covering will be supplied standard carpet and the exhibitor will be charged accordingly by Freeman.

No exhibitor shall assign/sublet any part of its assigned space without the written consent of ASCRS.

LINEAR BOOTHs

ASCRS does not permit Peninsula or End Cap Booths.

- Each ten-foot by ten-foot (10’ x 10’) linear booth has a back-wall drape at a uniform eight-foot (8’) height and black side drape at a three-foot (3’) height.
- The maximum allowable height of products and display materials is eight feet (8’).
- Display materials greater than four feet (4’) in height must be a minimum of five feet (5’) back from the front aisle.
- Exhibitors must mask all displays with unsightly back or side walls.
- If necessary, a drape will be installed to cover any unfinished parts of a display and the exhibitor will be charged accordingly by Freeman.
- Linear booths are not permitted to have any gobos.

ISLAND BOOTHs

An island exhibit is an open area of exhibit space with aisles on all four sides. Island booths must be designed to allow access from all four aisles.

- Ceiling covering or floor covering may not span the entire aisle length.
- Structures may not exceed twenty-five feet (25’) in height.
- Theater seating for presentations and demonstration areas in a booth are required to be a minimum of five feet (5’) back from the aisles, supply headsets to attendees, and the aisles must remain free from congestion.
- Exhibit displays, construction, and signage must be arranged to allow for see-through visibility and must not obstruct a significant amount of the line of sight view or otherwise interfere with the displays of other exhibitors.
- Conference, office, storage, or meeting room enclosures may not exceed 100 square feet in booths less than 1,600 square feet and must be constructed of building materials that allow see-through visibility or light penetration.

Please review further guidelines on the next page regarding island booth designs.
BOOTH COMPONENTS

HANGING SIGNS
A hanging sign is defined as an exhibit component suspended above an island space exhibit for the purpose of displaying graphics or identification. Hanging signs, regardless of type, are subject to the maximum size allowances stated in these policies and must conform to the standards that follow.

If the sign is hung horizontal or vertical, the combined length of all signs may not exceed the following limits: (Multiple sign dimensions are totaled to determine the length of the sign)

- Hanging signs or banners are permitted in island booths only.
- Hanging signs and graphics will be permitted to a maximum height of 25 feet from the top of the sign to the floor, where applicable.
- For a single-faced or double-faced one-piece sign, the length of the sign may not exceed 50% of the booth dimension on the aisle that it faces.
- For a rectangular, square, circular, or triangular sign, the length of any side of the sign may not exceed 50% of the booth dimension on the aisle that it faces.
- The height limit for each side of a sign is 8 ft.

CANOPIES, CEILINGS, TOWERS, AND MULTI-LEVEL EXHIBITS
Canopies and Ceilings: A canopy is defined as an exhibit component supported over an exhibitor’s assigned booth space for decorative or functional purposes.

- Canopies, false ceilings, umbrellas, and canopy frames will comply with all line-of-sight requirements.
- Canopies may not be lower than 7 ft. from the floor and within 5 ft. of any aisle.

Towers: A tower is defined as a free-standing exhibit component separate from the main exhibit feature. All towers are subject to the line-of-sight restrictions applicable to the type of exhibit space configuration being used.

Multi-Level Exhibit: A multi-level exhibit is defined as an exhibit booth where the display feature includes two levels. Multi-level booths may not exceed two levels.

If you have a material covering as part of your hanging sign, you are required to submit the fire-retardant certificate with your blueprints. If you have a multi-level exhibit, you are required to submit the stamped engineering approval copy with your blueprints.

Covered booths exceeding 1,000 square feet that will be erected for more than 7 days or contain vehicles, open flame or hot works will require an interior automatic sprinkler system and a separate permit is required for the sprinkler system.

- Fire sprinkler systems must be installed by a Nevada state licensed fire sprinkler contractor.

All multi-level booths must have 2 remote means of egress if the upper level is greater than 300 square feet.

- All fully enclosed booths with enclosed rooms must have at least 2 exits leading directly to the aisle. These booths must possess a smoke detector and fire extinguisher for each enclosed area. Doors must be unlocked during occupancy of the booth. The CCFD may require additional equipment.

- If any exhibiting booths have multiple levels or room(s) with enclosures, visible notification must appear on the stairway(s) or outside the room. This notice must state the maximum occupancy permissible or total weight load allowable on the second story at one time. If the second story occupancy level allows more than 10 people at one time, a second stairway must be present.

- All materials used in the construction of the booth and all decorative materials (drapery, table coverings, banners, foam board, signs, set pieces, etc.) within exhibitor booths and those used for special events must be non-combustible or made flame retardant. Certificates of flame-retardant treatment must be submitted to the CCFD along with samples of said materials prior to construction of booth. You must maintain copies of flame certificates on premises as the CCFD can require verification at any time. Utilizing cardboard boxes as parts of exhibits or displays is not permissible.

- Foam plastic elements greater than ¼-inch thickness shall not be permitted. Fire resistant foam board signage, not greater than ½-inch thickness, is acceptable in exhibit booths.
FLAMMABLE & TOXIC MATERIALS
All materials used in display, construction or decorating should be made of fire-retardant materials and be certified as flame retardant. Samples are required to be available for testing pre-show and onsite. Materials that cannot be treated to meet the requirements are not permitted for use. A flame-proof certificate is required to be available on hand for inspection by the fire marshal.

Flame retardant certificates must be with your booth blue prints and sent to the Exhibits Manager by April 14, 2021.

Exhibitors should be aware of local regulations regarding fire/safety and environment, which must be adhered to.

Additional information will be included in the online Exhibitor Service Kit.

BLUEPRINTS & BOOTH RENDERINGS
You are required to secure approval from the Exhibits Manager before beginning any new construction. If you are planning a new booth design, please send the preliminary blueprints to the Exhibits Manager and indicate the date by which approval is needed in order to meet your internal construction schedules.

Island booths are required to email a copy of blue prints indicating all dimensions as well as an isometric or elevation view of your exhibit including the hanging sign to the Exhibits Manager, jbarbera@ascrs.org, by April 14, 2021 (100 days from show open).

YOUR BOOTH LAYOUT AND HANGING SIGN ARE NOT CONSIDERED FINAL UNTIL THE EXHIBITS MANAGER HAS SENT YOU APPROVAL.

Once the show closes at 5:00 PM on Monday, July 26, equipment passes will not be required. It is the responsibility of each exhibiting company to properly secure and remove its equipment when the show closes.

PROFESSIONAL BEHAVIOR
Exhibitors may not enter another exhibitor’s booth. Professional behavior is expected by each company, its representatives, and exhibitor appointed contractors at all times during the ASCRS Annual Meeting.

Any provocation of another either verbally, physically, or by any other means will result in all parties involved surrendering their badges immediately and being escorted off the premises by security, and all parties being prohibited from attending the remainder of the meeting, exposition, and functions, and a booth refund will NOT be granted.

It is the discretion of the Exhibits Manager to ask the exhibiting company(ies) to vacate the premises immediately or at the close of the day, as well as either penalize or prohibit the parties’ attendance at any future meetings held by the association.
PHOTOGRAPHING AND VIDEOTAPING
Exhibitors may not take photos or videos of other booths. An exhibitor may photograph or videotape only within the confines of their booth.

Exhibitors who designate any third party to provide this service will be required to submit an EAC form, and the EAC must submit a COI form by the noted deadline.

EACs are prohibited from videotaping outside of the assigned booth space without proper approval from the Exhibits Manager.

Exhibitors understand and agree that photographs of their exhibit will be taken by the official show photographer while documenting the Annual Meeting. Exhibitors agree that photos of their booth possibly containing logos and trademarks may appear without restriction in promotional and other documents produced by ASCRS.

REPORTING AN EMERGENCY OR INCIDENT
Attendees can use any house phone and dial 77911 to report an emergency or incident; if calling from an outside line, dial (702) 632-7911.

SECURITY
ASCRS will hire security guards for the public areas of the convention center. Should you have valuable items in your booth that need to be left overnight, it is recommended that you hire the official show security company to provide security detail services. An order form will be provided in the Exhibitor Service Kit. ASCRS is not responsible for lost, stolen, or damaged items.

SELLING
Selling or order taking is permitted, however the exhibitor is expected to maintain proper decorum, follow ASCRS high standards, and be consistent with the educational purposes and integrity of the show and profession.

Exhibitors must obtain any/all permits/licenses required by the host state/city prior to selling/taking orders on-site. All taxes related to sales/orders onsite are the sole responsibility of the exhibitor.

SELLER’S PERMITS/SALES TAX INFORMATION, STATE OF NEVADA
Sales tax reporting: How is sales tax collected?
When a business makes a sale of a taxable product or service, the business charges the appropriate sales tax rate to the customer. This tax is collected by the business who then sends it to the Nevada Department of Taxation.

How much sales tax is charged?
The sales tax rate that is charged varies depending on the address of the business if the purchase is made in the store. When shipping in-state, the sales tax is based on the address of the purchaser. In addition to the statewide tax, there are additional local sales taxes that may be added by cities, counties and municipalities. To find sales tax rates, see the sales tax map from the Nevada Department of Taxation.

When are Nevada sales tax returns due?
The Department of Taxation will determine a filing frequency based on the expected volume of sales, which will be monthly, quarterly, or annually. Generally, a business selling more than $10,000 each month will file monthly.

Filings are due the last day of the month after the close of the reporting period, unless it falls on a weekend or federal holiday, in which case would move to the next business day.

Even if the business had no sales during the reporting period, a filing is still required indicating no sales occurred.

How to register for a seller’s permit in Nevada
A seller’s permit can be obtained by registering through SilverFlume (State of Nevada Business Portal) or by mailing in Nevada Business Registration Form.

Information needed to register includes:
► Type of business entity (Sole Proprietorship, Partnership, Corporation, LLC)
► Legal business name and address
► Doing Business As (DBA) if applicable
► Names, addresses, date of birth, phone number, and SSN of owners/officers/members
► Description of what products or services are being sold
► Federal Employer Identification Number (FEIN), or SSN if a sole proprietorship with no employees
► Date business activities began or will begin
► Estimated monthly receipts

SMOKING
It is the policy of ASCRS and ASOA to prohibit smoking in all meeting and exhibit areas.

SOUND & PRESENTATIONS IN BOOTHs
When conducting a presentation in your booth, it is the exhibitor’s responsibility to keep overflow crowds clear of the aisles. ASCRS reserves the right to determine whether sound presentations and any audio/visual being displayed are the correct decibel level. Earphones/headsets are required for booth presentations. Seating for presentation areas must be free and clear from the aisles and be monitored and controlled so that all aisles remain congestion free.
EXHIBIT BOOTH MARKETING & ACTIVITIES

CONTESTS, DRAWINGS, AND RAFFLES
Exhibitors are encouraged to engage meeting attendees and add value to the meeting experience. That said, contests, drawings, raffles, entertainment, and other similar activities must be reviewed and approved by the Exhibits Manager and are also subject to review by ASCRS. These activities must be compatible with and maintain the professional atmosphere and tone of the Annual Meeting, as well as enhance the attendee experience.

Exhibitors are not permitted to collect names or register individuals for contests, drawings, or raffles that will be held outside the Annual Meeting. Gaming devices of any description are not permitted in the exhibit booth.

EXHIBITOR BOOTH MARKETING GUIDELINES
Except where specifically provided by contractual agreement between ASCRS and the exhibiting company for sponsorships and marketing opportunities, exhibitor marketing efforts must not extend beyond the confines of the exhibit booth.

Exhibitors may not:
- Solicit attendees in lobby spaces of the convention center.
- Place or hand out promotional fliers in any locations other than their exhibit booth.
- Conduct marketing within the confines of the convention center.
- Place marketing on the sidewalks and promenade leading up to the convention center or official ASCRS hotels.
- Place marketing by shuttle bus entrances, passenger drop off/pick up and taxi lines.
- Permit mobile advertising to remain stationary in front of the convention center entrances or other assigned meeting spaces.

AFFILIATE FUNCTION MARKETING GUIDELINES
You are permitted one sign in front of your meeting/event space. Signage for your meeting or event is not permitted outside the confines of a competing exhibitor’s meeting or event.

Should competing companies host events in the same hotel/venue on the same day, external marketing is limited to immediately in front of your meeting/event space(s) only.

External marketing may not interfere or detract from a competing exhibitor’s event or marketing.

External personnel used for marketing purposes are expected to maintain appropriate behavior and dress at all times.

E-BLAST/EMAIL MARKETING
All e-blast marketing must be approved through ASCRS prior to distribution and must contain the ASCRS disclaimer. Please contact Jamie Barbera, Exhibits Manager, jbarbera@ascrs.org, to obtain a copy of the disclaimer and submit your e-blast marketing piece for approval by June 8, 2021.

EXHIBITOR SOCIAL MEDIA GUIDELINES
Exhibitors are encouraged to leverage social media throughout the meeting, and must comply with the following guidelines:
- Do not amend or alter the “We’re Exhibiting” image.
- Do not use the image in a way that suggests or implies partnership, sponsorship, or endorsement by ASCRS.
- Keep in mind these guidelines when posting about the Annual Meeting.
- Non-flash photography is allowed for personal, social, or non-commercial use.
- Please respect attendees and presenters who state they do not want their slides and/or content shared on social media.
- Exhibitors taking photos must do so in a manner that does not disturb the presenter or other attendees.
- Sharing slides that feature patient faces or other identifiable information is prohibited.

Video recording, live audio and/or video streaming is strictly prohibited. Failure to comply with this policy may result in being removed from the session and/or meeting.

EXHIBITOR PRESS RELEASES
Exhibitors may issue press releases regarding their products, data or other proprietary information available in the Exhibit Hall. They may also reference the fact that they are exhibiting at the ASCRS Annual Meeting and that sessions at the meeting will provide additional data or information about their products or services. However, no company shall describe the presentation of data or information at the meeting in such a way as to imply an endorsement by ASCRS.

Specifically, words such as “featured” or “showcased” must be avoided. Furthermore, no company shall issue a press release listing, by name, any official ASCRS meeting content, programming, educational sessions or other presentations.

Any press release referencing an exhibitor’s participation in the meeting must also include the following disclaimer: “All educational content of the ASCRS Annual Meeting is planned by its program committee, and ASCRS does not endorse, promote, approve, or recommend the use of any products, devices, or services.”
EXHIBIT BOOTH GIVEAWAYS

Items that will be used only by internal staff of the exhibiting company (and therefore not given away) are exempt from this policy.

Exhibiting companies may distribute descriptive product literature and samples of their listed products to each booth visitor. Where permitted by law, it is appropriate for companies to offer items that are not of substantial value ($100 or less) and do not have value to healthcare professionals outside of their professional responsibilities. For example, an anatomical model for use in the examination room is intended for the education of patients and would be acceptable.

Potential giveaway items must be designed primarily for the education of patients or healthcare professionals. Potential giveaway items may not duplicate items ASCRS supplies with the support or promotional fees paid to ASCRS by a corporate supporter or advertiser. These items include but are not limited to lanyards, tote bags made of an enduring material, and bottled water.

Exhibiting companies may wish to place giveaway items in their booth in a bag. Because our attendee tote bags are a sponsored item, you are required to follow the guidelines below.
1. A product sample of the bag is required to be submitted to Jamie Barbera, Exhibits Manager, for prior approval.
2. The bag is required to be plastic or paper only.

Prescription drug samples may be distributed to ophthalmologists only in accordance with the Prescription Drug Marketing Act.

Distribution of approved items must not create a nuisance or cause interference with adjoining exhibitors.

For those companies that follow the Pharmaceutical Research and Manufacturers of America (PhRMA) Code and/or the Advanced Medical Technology Association (AdvaMed) Code, giveaways permitted for the Annual Meeting are those designed primarily for the education of patients or healthcare professionals. It is the sole responsibility of the exhibiting company to abide by the guidelines set forth by PhRMA and AdvaMed Codes.

ASCRS, at its sole discretion, shall have the right to prohibit the distribution of any item it deems objectionable or otherwise inappropriate.

You are required to gain approval for your giveaway.

Failure to provide a sample by June 8 may preclude the exhibitor from providing a giveaway. All giveaway items must be pre-approved by the Exhibits Manager or will be confiscated on the show floor and not returned.

Please submit a picture and short description of the items to Jamie Barbera, Exhibit Manager, jbarbera@ascrs.org.

POLICY ENFORCEMENT

Any unapproved Annual Meeting marketing and/or advertising carries with it the possibility of penalties to be assigned at the discretion of ASCRS. Penalties will be conducted in accordance with the below unless otherwise stated. Depending on the severity of the offense and/or conduct, and/or number of violations, ASCRS may opt to forgo the below and close the event.

1st offense
Verbal warning

2nd offense
The exhibiting company will lose all Priority Points accrued during the calendar year and will receive no Priority Points for the remaining portion of the year. Additionally, the company may be prevented from exhibiting or attending the following ASCRS Annual Meeting.

3rd offense
ASCRS will prohibit the exhibiting company from exhibiting at the next ASCRS Annual Meeting. The exhibitor will lose all Priority Points accrued during the calendar year and will receive no Priority Points for the remaining portion of the year.

Again, it is not the intent of ASCRS to interfere with exhibitor outreach and/or marketing efforts, but only to ensure that the Annual Meeting remains a fair and positive opportunity for all involved.

HELIO BALLOONS & CONFETTI
Helium balloons and confetti are not permitted.

PROMOTIONAL MATERIAL

Exhibitors may not use the name or logos of the American Society of Cataract and Refractive Surgery (ASCRS) or the American Society of Ophthalmic Administrators (ASOA) in promotional material without written consent from ASCRS and ASOA. While at the exhibition, distribution of advertising material and exhibitor solicitation of any sort shall be restricted to the exhibitor’s booth. Neither company nor products may extend into the aisle or beyond the limits of the assigned booth.

FOOD & BEVERAGE IN EXHIBIT BOOTHS
Exhibitors are encouraged to purchase food and beverages from the convention center catering department for their booth during exhibit hall hours. Popcorn is not permitted.
GENERAL RULES AND REGULATIONS

1. These rules and regulations constitute an essential part of the contract for the exhibit space. During the Annual Meeting, the American Society of Cataract and Refractive Surgery (ASCRS) and the American Society of Ophthalmic Administrators (ASOA) reserve the right to render all interpretations and to establish further regulations as may be deemed necessary for the general success of the exhibition.

2. ASCRS reserves the right to decline, prohibit, or expel an exhibit that, in its judgment, is out of keeping with the character of the exhibition, this reservation being all inclusive as to the persons, things, printed matter, product, conduct, etc. Should the exhibit be expelled, space payments will not be refunded.

3. Exhibitors shall be bound by all pertinent laws, codes, and regulations of municipal or other authorities having jurisdiction over the exhibit facility or the conducting of said exhibit, together with the rules and regulations of the owners and/or operators of the facility in which the exhibition is held.

4. It is agreed that if the exhibitor fails to comply in any respect with the terms of the agreement, then ASCRS shall have the right, without notice to the exhibitor, to sell or offer for sale the exhibit space covered by this contract. Said exhibitor will be liable for any deficiency, loss, or damage suffered by the exhibition by reason of the premises stated, which loss or damage the exhibitor agrees to pay the exhibition upon demand together with reasonable expenses and costs incurred by reason thereof.

5. It is further agreed that actual occupation of the exhibit space by an exhibit is of the essence thereof, and that should the exhibition be unable to affect the sale of the space as herein provided, the exhibition is then expressly authorized to occupy or cause said space to be occupied in such a manner as it may deem in the best interest of the exhibition, without any rebate or allowance whatsoever to the exhibitor and without in any way releasing said exhibitor from any liability hereunder; and said exhibitor expressly agrees to pay the exhibition the full sum herein set forth.

6. ASCRS shall have full power in the interpretation and enforcement of all rules and regulations contained herein and the power to make such amendments thereto, and further rules and regulations as it shall consider necessary for the proper conduct and success of the exhibition.

7. I understand that by providing my mailing address, email address, telephone number and fax number, I consent to receive communications sent by or on behalf of ASCRS (and their subsidiaries and affiliates) via regular mail, email, telephone or fax. I understand that ASCRS may share my address/email/telephone/fax with other organizations.

VIOLATIONS

Specific actions may be taken by ASCRS for violation of any provision of these guidelines. Violations of any ASCRS policies, guidelines, rules, or regulations may result in the loss of Priority Points for future space assignments and/or immediate removal from the Exhibit Hall and/or denial of exhibit space at future meetings. The action taken will be determined on the basis of the particular circumstances of the violations, but in cases involving major violations, may include legal action.

CATASTROPHE

ASCRS will not be liable for the fulfillment of this contract as to the delivery of exhibit space if non-delivery is due to any of the following causes: by reason of the facility being damaged or destroyed by fire, act of God, public enemy, war or insurrections, strikes, acts of terrorism, the authority of the law, public health crisis, postponement or cancellation of the exposition, or for any cause beyond their control. It will, however, in the event of its not being able to hold an exhibit for any of the above-named reasons, reimburse exhibitors on a pro-rate basis on any amount paid in, less any and all legitimate expenses incurred, such as but not limited to rent, advertising, salaries, operating costs, etc.

EVALUATION OF SPACE APPLICATION/CONTRACT

In order to preserve and maximize the educational value of the technical exhibit program, ASCRS will examine all space application/contracts and evaluate the proposed exhibits to determine whether they satisfy certain basic criteria.

Permission to exhibit does not constitute in any way an ASCRS endorsement or approval of the exhibited products or services or guarantee that space will be assigned.

The evaluation of space application will be performed in accordance with guidelines established by the ASCRS Executive Committee. The principle criteria to be considered in reviewing applications shall include, but are not limited to, whether the products or services proposed for exhibition relate specifically to the practice or advancement of ophthalmology generally and/or cataract and refractive surgery specifically, whether the proposed exhibit is of educational value to ophthalmologists, cataract and refractive surgeons, and whether the products or services in question are safe and effective.

Every exhibitor applicant who did not exhibit at the 2019 ASCRS Annual Meeting must complete the review process for assignment of exhibit space. An applicant who did exhibit in 2019 must complete the review process only if there has been a material change in circumstances relating to its company (e.g., a change in ownership, control, or legal status) or in the nature, name, composition, products, labeling, or regulatory status of the products and services to be exhibited, or if the safety or efficacy of the company’s products or services have been called into question through litigation, regulatory proceedings, customer complaints, or other reliable sources of adverse information.
The information required for review are the following:

1. **Company profile**

2. The products and/or services the company plans to exhibit (i.e., product brochures, literature, or samples).

3. Exhibitors must disclose details on any consumer or government litigation, orders, injunctions, judgments, or settlements over the last three years regarding the business practices of the company or the products and services to be exhibited. Companies with complaints filed against them with state or federal consumer affairs regulatory agencies, the Better Business Bureau, or ASCRS members may be required to provide an explanation of the resolution of those complaints.

4. Exhibitors shall not exhibit any products or services other than those included in their space application/contract or approved in writing by ASCRS. Successfully completing the exhibit application does not guarantee that you will be assigned booth space. ASCRS meetings consistently sell out of exhibit space and maintain waiting lists.

ASCRS exhibit space is assigned in Priority Point order to all exhibitors that have a history of exhibiting at ASCRS meetings.

Even where an exhibitor meets the basic criteria described above, ASCRS still reserves the right to deny any request to exhibit based on space limitations, safety concerns, failure to comply with these procedures or requirements, past inappropriate conduct by the applicant (including but not limited to failure to comply with ASCRS exhibitor rules and regulations), or a reasonable determination by ASCRS that the company’s products or services are not safe and/or effective.

Alternatively, ASCRS may decide to reduce an applicant’s accrued Priority Points based on the applicant’s past failure to comply with ASCRS exhibitor rules and regulations or legal or regulatory actions or consumer/member complaints relating to the safety and efficacy of an applicant’s products or services.

**INABILITY TO HOLD CONVENTION OR CHANGE IN SCHEDULED DATES**

If because of war, strike, the destruction, construction or renovation of the Exhibition Venue, government order, terrorist act, act of God or other cause beyond the control of the Association, the Conference and Exhibition or any part thereof is prevented from being held, the Association shall be relieved of its obligations under these Terms and Conditions. In regard to Exhibitors, the Association shall determine and refund to Exhibitor its proportionate share of the balance of the aggregate exhibit fees received that remain after deducting expenses incurred by the Association and reasonable compensation to the Association, but in no case shall the amount of the refund to Exhibitor exceed the amount of the exhibit fee paid by Exhibitor. In regard to Sponsors, Sponsorships are non-refundable. The Association shall determine the remaining aggregate value of the sponsorship fees as of the date of cancellation or postponement and apply the remaining sponsorship value to an upcoming conference as agreed to by the parties. Exhibitor(s) and/or Sponsor(s) acknowledge and agree that the Association may be required to change the scheduled dates of the Conference and Exhibition as set forth in the Contract for reasons beyond its control or for reasons that, in the sole judgment of the Association, will benefit the Conference and Exhibition and the participating exhibitors and sponsors. In the event that the Association is required, or decides, to change the dates of the Conference and Exhibition, the Association will make its best efforts to notify exhibitors and sponsors in writing of such change at least sixty (60) days prior to the dates originally set forth in the Contract.

**OUTSTANDING BALANCE/ PAYMENT INFORMATION**

Companies that have a balance due from a previous show will not be permitted to exhibit in future shows until the balance due is paid in full.

If payment is not received on or before **February 19, 2021**, exhibitors will lose 10 Priority Points, per day, each day the balance is overdue.

ASCRS reserves the right to reassign or cancel the booth space without notice that is not paid in full by the deadline. Exhibitors will not be permitted to set up on show site until the balance is paid.

Applications received by ASCRS on or after **February 20, 2021**, must include 100% payment to be processed.

**PRIORITY POINTS**

ASCRS has the discretion to reduce an exhibitor’s accrued Priority Points based on past inappropriate conduct by the applicant (including but not limited to failure to comply with ASCRS exhibitor rules and regulations) or legal or regulatory actions or consumer/member complaints relating to the safety and efficacy of an applicant’s products or services.

**PROMOTIONAL MATERIAL**

Exhibitors may not use the name or logos of the American Society of Cataract and Refractive Surgery or ASCRS or the American Society of Ophthalmic Administrators or ASOA in promotional material without written consent from ASCRS and ASOA.

While at the exhibition, distribution of advertising material and exhibitor solicitation of any sort shall be restricted to the exhibitor’s booth. Neither company nor products may extend into the aisle or beyond the limits of the assigned booth.

SPACE ASSIGNMENT
ASCRS Subspecialty Day exhibits are an extension of the continuing education program. To be accepted by ASCRS, the products and services should be related to ophthalmic or medical administrative fields.

Tabletop exhibits will be assigned space on a first-come, first-served basis. Exhibit space is limited; thus, companies are limited to one tabletop space. Requests for additional tabletop spaces will be reviewed on an individual basis.

ASCRS reserves the right to reconfigure the Exhibit Hall floor plan and reassign any exhibiting company at any time. Should the affected exhibitor cancel their space as a result of the booth reassignment, space payments will be refunded in full provided the exhibitor manager receives the written cancellation within the designated timeframe. The affected exhibitor must submit the cancellation notification in writing within 5 days of notification of space reassignment.

The Exhibit Hall will be open for ASCRS Glaucoma Day, ASCRS Refractive Day, and ASCRS Cornea Day attendees only.

Morning and afternoon food and beverage will be provided in the hall.

Exhibitors for ASCRS Subspecialty Day will have access to the session rooms with an ASCRS Subspecialty Day exhibitor badge, providing there is seating open for attendees.
